SINK INTO COASTAL CULTURE

Experience coastal Kenya's rich history of diverse peoples, languages and customs. We welcome you to add any of these optional activities to personalize your stay at Toriana:

EXPLORE GEDI RUINS

Recognized as a UNESCO World Heritage site, explore the partially excavated ruins of once-vibrant Gedi, a vast trading city abandoned more than 200 years ago.

DIVE THE REEF

Explore the Indian Ocean's underwater landscape—our water sports diving experts can create the perfect experience, from earning your certification to advanced diving adventures.

SNORKEL IN WATAMU MARINE RESERVE

A favorite destination of Ernest Hemingway, discover this special reserve and its ecosystem in a glass-bottom boat.

GOLF AT VIPINGO RIDGE

Experience the acclaimed Baobab Golf Course, a short drive from Toriana. Sweeping views to the Indian Ocean in the east and the sunsets in the west make this a stunning experience.

"Toriana is where we honour family and friends, leaving all our worries and stresses behind, and truly sink into the beauty of barefoot coastal life."

BALANCE AND HARMONY

A sun-drenched beach-side haven, Toriana's very name is an expression that means balance and harmony. It's a place to truly be yourself—where bare feet are the standard and conversations run deep and true. This protected coastline with its white beaches, jewel-toned water, fresh coconuts, and vibrant culture has been home to many peoples through the centuries. Mixed together in a unique cocktail: African, Indian, Arabic and European are now known as one—Swahili.

Discover this authentic coastal culture firsthand—enjoy fresh meals served on terraces inspired by local coral-brick architecture, jump into the warm waves of Bofa Beach, and visit internationally renowned sites like Gedi Ruins and Watamu Marine Reserve, where your worldview will grow just a little bit bigger.

- Relax in the Beach House with nine en suite bedrooms, featuring air-conditioning and four-poster netted Swahili beds.
- Swim day or night in the infinity edge pool which reflects the palm-fringed sky and stars.
- Savour coastal cuisine, with local favourites and Western classics, and a menu that always features a catch of the day and fresh local fruit.
- Dine al fresco on our multiple indoor-outdoor terraces that take advantage of the shade and breeze.

Toriana is fully serviced with 24-hour security, a private chef and housekeeping to ensure a beautiful and serene coastal retreat.
